Mingle with the riders who are partaking in this epic ride to help raise much needed funds to allow Royal Far West to continue to support our country kids.

**We look forward to having you join us.**

Riding for Country Kids is our signature fundraising event and this year the 4 day ride will cover 500km starting in Moree and ending in Tamworth. All funds raised during the event will go directly to helping children in the communities through which the ride passes. Royal Far West, a non-government organisation, has been providing health services to children living in rural and remote New South Wales for the past 90 years. Every year, thousands of country children who have non-acute developmental, behavioural, learning, emotional and mental health disorders, and limited access to local services, benefit from our integrated clinical and educational model of care.
